Bein' Bad

Boomkat

Put the needle on the record
And let's commence
Because I need to blow off steam
With all my friends, let's go out tonightBecause the weekend's here
And that's good reason for bein' bad, yeah
Tonight, we're drinking mad, yeah
And I got five on the yellow, the yellow, yeahSomeone's knocking at my door
Could ya please go let 'em in
Oh well, I got 20 bucks
If ya brought my medicineAnd now we're rolling at the club
Where her love is being smothered
Yo, there's a cutie over there
(Taryn, that's your brother)
Oh, that's my brotherOh, because the weekend's here
And that's good reason for bein' bad, yeah
Tonight, we're drinking mad, yeah
And I got five on the yellow, the yellow, yeahBein' bad, bein' badWell, if we're all goin' out, you know we're goin' all out
(Bein' bad)
Yeah, that's what I'm talkin' about
Gettin' open, throwin' back shots till closin'
And when clothes come off, I got the Trojan
(That's hot)Sex, drugs, rock and rollin'
Crawlin' and creepin'
Thank god, I get to sleep inOh, because the weekend's here
And that's good reason for bein' bad, oh
Tonight we're drinkin' mad, yeah
And I got five on the yellow, the yellow, yeahOh, because the weekend's here
And that's good reason for bein' bad, yeah
Tonight we're drinkin' mad, yeah
And I got five on the yellow, the yellow, yeahOn the yellow, the yellow, yeah
On the yellow, the yellow, yeah
