Only The Lonely

RoyÂ Orbison

We walked the loneliest mile
We smile without any style
We kiss altogether wrong
No intention

We lied about each others drinks
We lived without each other thinking
What anyone would do
Without me and you

It's like I told you
Only the lonely can play

So hold on here we go
Hold on to nothing we know
I feel so lonely
Way up here

You mention the time we were together
So long ago, well I don't remember
All I know
Is that it makes me feel good now

It's like I told you
Only the lonely can play
Only the lonely
Only the lonely can play
