Grow a Pear

Ke\$ha

Last night I had enough of you

I put on the brakes

And I can tell you took it hard

It was all over your faceThat you were slippin' and flippin'

But here is the sitch

I signed up for a man

But you are just a bitchYou should know

That I love you a lot

But I just can't date

A dude with a vagWhen we fell in love

You made my heart drop

And you had me thinking

'Bout you non-stopBut you cry about this

And whine about that

When you grow a pear

You can call me backYeah, I think you're hot

I think you're alright

But you're acting like a chick

All the timeYou were cool and now

You're not just like that

When you grow a pear

You can call me backWhen I first met you, panties droppin'

Every time I saw you it was on and

One day you asked if we could just talk

That's the reason why I'm walkingIf I am honest, I'm just not hooked on your phonics

I'm not trying to be rude or crude

I just wanted one thing from you

And you got confusedYou should know

That I love you a lot

But I just can't date

A dude with a vagWhen we fell in love

You made my heart drop

And you had me thinking

'Bout you non-stopBut you cry about this

And whine about that

When you grow a pear

You can call me backYeah, I think you're hot

I think you're alright

But you're acting like a chick

All the timeYou were cool and now

You're not just like that

When you grow a pear

You can call me backWhen you grow a pear

You can call me back

When you grow a pear

You can call me backGrow a pear

You can call me back

When you grow a pear

You can call me backGrow a pear, you can call me back

And no, I don't want to see your mangina

When you grow a pear

You can call me backWhen we fell in love

You made my heart drop

And you had me thinking

'Bout you non-stopBut you cry about this

And whine about that

When you grow a pear

You can call me backYeah, I think you're hot

I think you're alright

But you're acting like a chick

All the timeYou were cool and now

You're not just like that

When you grow a pear

You can call me back
