

Vigilance of Battle

Every Knee Shall Bow

We await that glorious day
when the trumpets will resound
look to the day of His coming
be urgent in your deeds upon the earth

Be ever vigilant
let not your hearts be swayed
the hour is close at hand
the Kingdom will be renewed

Put on your armor
prepare for battle
Trust the strength of His Word
crush His enemies

Grind them
beneath your feet
make them feel the wrath
of His sword

They are nothing
when compared to
His mighty Word

No one
knows the day
or the
hour
of His return

No one
knows the day
or the
hour
so live in earnest reverence

With this truth
live in
anticipation

of that coming day

God, break the heavens open.
We long to be with you.
Let Your light shine among us.
And bring Your people home.

Wake the dead God and bring us home

Lose not your focus
make the demons flee
drive them to the gates of Hell
send the cur screaming

As they seek to destroy
destroy thier wicked ways
Spill their blood
drown them in their filth

I urge you my brothers
don't be lax
Let your hard work
not turn to sloth

As we
await the
coming
of the LORD
delight in Him

Take heart
don't lose faith
the journey is
near its end

Take heart
don't lose faith
the Shepherd will
know his lambs
