Sonnet

Unfinished Thought

Because You Love Me I Can Look With Quiet FaithBeyond Life's Lightning Flash And Thunder RollAnd Glimpse The Rainbow Arch Like Some Angelic Wraith While Impatient Years Exact Demanding TollBecause You Love Me My Soul Can Soar With Eagle Wings Above My Crowding Failures And Disenchanting DeedExplore Beyond Life's Sunset Where The Heavenly Choir Sings Climb Nobly To The Summit Where Love Alone Can LeadBecause You Love Me You May Still Perchance ForgiveYoung Love's Towering Expectations Laid Now To RestThose Unfulfilled Dreams Which Somehow Still Must LiveCloistered Beneath The Portals Of A Matron BreastBecause You Love Me Milestones Are Like Jewels Fair **Priceless Treasures** From God's Sacred Vault Of TimeI Thank You For The Beauty And Meaning In The Life We ShareAnd Praise God For The Blessing Of This Love Sublime
