

# Shoreline

## Aves

Ever since i was eight or nine  
I've been standing on the shoreline  
Always waiting  
For something lasting  
Loose your hunger, you loose your way  
Get confused and you fade awayOh this town  
Kills you when you are young  
Oh this town  
Kills you when you are youngI'm not the boy i used to be  
This town has got the youth of me  
All eyes turn hollow  
From the work of sorrowStanding on the paving  
By the office building  
They've got so much to do  
Never time for youWe are shadows  
Oh we're shadows  
Shadows in the alleyYou die when you're young  
You die when you're young  
You die when you're young
