You've Got Love

Peanuts Wilson

You got two lips that look so fine
You got one heart I wish was mine
Love, sweet love, you?ve got love
(Genuine love)
You got two arms that you could use
To make me lose my blues
Love, sweet love, you?ve got love
(Real fine love)
You?ve got love, real love
(You've got love, you've got love)
You?ve got love, sweet love
(You've got love, you've got love)
You?ve got love that is true
I want only you

You got two eyes so you can see
Your love was meant for me
Love, sweet love, you?ve got love
(You?ve got love)
You?ve got love, real love
(You've got love, you've got love)
You?ve got love, sweet love
(You've got love, you've got love)
You?ve got me in a spin
I like the spin I?m in
You got two eyes so you can see
Your love was meant for me
Love, sweet love, you?ve got love
