

# Baby's Got a Brand New Hairdo

Elvis Costello

Baby's got a brand new hairdo  
But doesn't she look so nice?  
She said everything that she cares to  
She's saying, "It not once but twice" She said, "It doesn't matter unless I say it matters"  
Well, I don't care about all that modern jazz  
The girl that used to have it and the girl I still have  
She's the girl that used to have it and the girl I still have Baby's got a brand new hairdo  
And doesn't she look so fine?  
She said everything that she used to  
Except she's picking your heart, not mine She said "it doesn't matter unless I say it matters"  
[Unverified]  
I don't care about all that modern jazz  
The girl that used to have it and girl I still have  
She's the girl that used to have it and the girl I still have Baby's got a brand new hairdo  
And doesn't she look so good?  
She looks like Billy Boy Arnold  
Said, "I wish you would, I wish you would" Baby's got a brand new hairdo  
I wonder what's left inside  
She used to [unverified] at med school  
Before she learned how to be snide She walks in the place and everybody scatters  
I don't care about all the modern girls  
She's the girl that I used to have  
And the girl I still have, she the, she the
