

# Ever Fallen In Love

Thea Gilmore

You stirred my natural emotion  
You make me feel Im dirt  
And I'm hurt  
And if I start a commotion  
Ill only end up losing you  
And that's worseEver fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love withI can't see much of the future  
Unless we find out what's to blame  
What a shame  
And we won't be together much longer  
Unless we realize that we are the sameEver fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love withEver fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love withYou stirred my natural emotion  
You make me feel Im dirt  
And I'm hurt  
And if I start a commotion  
Ill run the risk of losing you  
And that's worseOh, yeah  
Oh, yeah
