

Spectre

[Alan Walker](#)

Hello hello
Can you hear me, as I scream your name
Hello hello
Can you see me, near and far away
Is this the place that I call home
To find what I've become
Walk along the path unknown
We live we love we lieHello hello
Sound of silence, echo in myself
Hello hello
Lost reliance, a more that nether ends
Is this the place that I call home
To find what I've become
Walk along the path unknown
We live we love we lieDeep in the dark in my secret lie
Like a ghost inside me
It's further far to the other side
We live we love we lie
