Satellite

Unkle Bob

I heard it on the radio
The singer's got a sad, sad song
I think I'm gonna sing alongAnd I don't know what I'm doing
Don't know where the world went wrong
Don't know where the pain belongWho do you think you are?
You're not a star
You're just a satellite, a satellite
What do you think you know?
I'm letting go
Cause you're just a satellite, a satelliteI heard it on the radio
The singer's got a sad, sad song
I think I'm gonna sing alongAnd I don't know what I'm doing
Don't know where the world went wrong
Don't know where the pain belongWho do you think you are?
You're not a star
You're just a satellite, a satellite
What do you think you know?
I'm letting go
Cause you're just a satellite, a satelliteSatellite, satellite
What do you want me to be?
What do you want me to be?
What would you say that I am?
What would you say that I am?Who do you think you are?
You're not a star
You're just a satellite, a satellite
What do you think you know?
I'm letting go
Cause you're just a satellite, a satellite
