## Horse the Band

Your legs are sweet and they look like ivory  
I can smell them and taste them at the same time  
My mouth waters with anticipation  
We're together and I'm alive  
Feel my teeth, they're long and hard  
The tips sharp enough to pierce your hide  
Now it's time to taste your flesh  
You gasp and whimper a silent cry  
GoodbyeI prowl the room  
I prowl the room  
For something sweeter to consume  
I prowl the room  
I prowl the room  
For something sweeter to consumeIt's not enough  
It's not enough  
It's not enough  
No, it's not enoughMy sweat it starts to cover you  
And your body starts to shake  
No matter how much that you give  
I just want some more to takeIt's natural  
It's naturalI prowl the room  
I prowl the room  
For something sweeter to consume  
I prowl the room  
I prowl the room  
For something sweeter, something sweeter, something sweeterIt's not enough  
It's not enough  
It's not enough  
No, it's not enoughMy mouth has had its fill of you  
I can taste you on my breath  
I give you one last kiss  
And it's the kiss of deathIt's not enough  
It's not enough  
It's not enough  
No, it's not enough
