

There She Go (feat. Jonn Hart)

Flip Major

She don't need a nigga
She ride solo
There she go
She don't need no dollars
She got her own
There she go
She don't need Yo drama
That shit old
That shit old
She get it from her momma
Her game so cold
So cold
Colder then ice
Always solo on her missions
And her whip game nice
Bills
Paid
Body
Bang
Money's not an issue
She got every thang
(Yeah)
Shorty love to do her own shit
Good job nails did
And her own whip
(Yeah)
Short my cold like the winter
We takin shot after shot
It's gone be a night to remember
She don't need a nigga
She ride solo
There she go
She don't need no dollars
She got her own
There she go
She don't need Yo drama
That shit old
That shit old
She get it from her momma

Her game so coldSo Cold
She so Cold
She gettin money and power all on her own
Her ass poppin
It's crazy to watch the booty go
It's like movie she flip it drop it to the floor
It's so official when she campaign
And she love scream my damn name
Making moves workin late nights
She hit the gym to get the body right
When they see her they like there she go
When they see her they like there she goShe don't need a nigga
She ride solo
There she go
She don't need no dollars
She got her own
There she go
She don't need Yo drama
That shit old
That shit old
She get it from her momma
Her game so cold
