Don't Say Goodbye

Kapena

Boy u say to me good byeâ€¦
Saying; I love u wont change ur mind
So please donâ€™t make me cry..
Couse Iâ€™m so hurt deeply inside.

Donâ€™t say good bye,,
Donâ€™t say good bye..
Iâ€™ll turn the world back in time..
So we can try it one more time..

Days and nights your on my mind
Years memories make me cry
I need you here by my side
So I could make it througt the nightâ€¦

Donâ€™t say good bye,,
Donâ€™t say good bye..
Iâ€™ll turn the world back in time..
So we can try it one more time..

Boy u say to me good byeâ€¦
Saying; I love u wont change ur mind
So please donâ€™t make me cry..
Couse Iâ€™m so hurt deeply inside.

Days and nights your on my mind
Years memories make me cry
I need you here by my side
So I could make it througt the night

Donâ€™t say good bye,,
Donâ€™t say good bye..
Iâ€™ll turn the world back in time..
So we can try it one more time..
