

Nellie

The Biltmores

Does she wander deep inside her slumber from dream to dream?

What does she dream?

You know you love her, but do you really know her?

I look in her face I know Iâ€™m somewhere in there.

But, sheâ€™s somebody else. Sheâ€™s somebody new.

And I canâ€™t help myself from going wandering with her from room to room.

Today, tomorrow, today

Oh Nellie, oh Nellie, oh Nellie, yeah

Oh Nellie, oh Nellie, oh Nellie, yeah

Does she wander deep inside her slumber from dream to dream?

What does she dream?

Oh to hold her, so happy just to know her

I got an old notebook, itâ€™s filled with bits and baubles.

I wanna tighten it up and put it in her room between the hyacinth

And the book of Aesopâ€™s fables. I wanna go there soon.

Today, tomorrow, today

Oh Nellie, oh Nellie, oh Nellie, yeah

Oh Nellie, oh Nellie, oh Nellie, yeah

Oh Nellie, oh Nellie, oh Nellie, yeah

Oh Nellie, oh Nellie, oh Nellie, yeah
