Miracle Aligner (WXPN-FM)

The Last Shadow Puppets

Tell him what you want and baby he can find you anything you need
Tell him what you're needing, hey, oh
Come on miracle aligner
Go and get 'em tiger
Get down on your knees
Get down on your knees again ohFifty feet tall and revved up too high
All of our exchanges are by candle light
I just realized
He'll walk through the walls and creep up behind
Make sense of the maze that you were stuck outside
Cover your eyesOften the humble kind but he can't deny
He was born to blow your mind
Or something along those lines, tonightTell him what you want and baby he can find you anything you need
Tell him what you're needing, hey, oh
Come on miracle aligner, go and get 'em tiger
Get down on your knees, get down on your knees again, oh ohSo what's the wish, he'll make it come true
Simple as a line out of a doo wop tune
He'll make the movesOften the humble kind but he can't deny
He was born to blow your mind
Or something along those lines
TonightTell him what you want and baby he can find you anything you need
Tell him what you're needing, hey, oh
Come on miracle aligner, go and get 'em tiger
Get down on your knees, get down on your knees again, oh oh
