

Dr. Know

Morphadron

If yuh waan a man a bun alot a trees
Not afraid to mek yuh see it a yuh knees
Yuh waan a man to mek yuh hung like a bees
Leave a message please
I am that man that she dreams about
Dr. Know is my name, things ain't the same
Now she screams and shouts
Comin' again and again
I am that man that she talks about
When she hangs with her friends
It's not the Benz why she's freakin' out
It's what she thought of my ends
Dr. Know is in da house, capeash
To satisfy my ladies and deh honeys on my leash
Woman deh pon my cellular I beg unda this each
And tell mi how last night a ground and she reach
Woman a mi regula dem love call mi teach
Put me inna Jacuzzi tub and dem feel mi keash
She don't waan mi leave, she waan to keep mi on a leash
Dem tell mi seh she love, go skinny dippin' on di beach
I am that man that she dreams about
Dr. Know is my name, things ain't the same
Now she screams and shouts
Comin' again and again
I am that man that she talks about
When she hangs with her friends
It's not the Benz why she's freakin' out
It's what she thought of my ends
Hey, dat ting yah weh mi love fi flag
Woman seh dem love it 'cause it betta when yuh slam
If yuh man a try fi satisfy yuh and him caan
Holla at di Doc and I will give yuh wah yuh waan
Send on di nieces and di sistas and di aunts
I'm not backin' down from yuh kitchen, no, I shaant
Sexy gal a model like a mi dem waan taunt
Girls dem a do we 'cause a big tree we plant
I am that man that she dreams about
Dr. Know is my name, things ain't the same
Now she screams and shouts

Comin' again and again
I am that man that she talks about
When she hangs with her friends
It's not the Benz why she's freakin' out
It's what she thought of my ends

I am Dr. Know, when gal see mi dem see fun
Know when to go or when to come
I am Dr. Know, we have gal walk inna sun
To play wid di big water gun
I am Dr. Know, weh mek gal nuh know weh fi tun
Get up pon fate fi siddung

I am Dr. Know, weh mek gal speak inna tongue
And she a, cree like dem drunk rum
I am that man that she dreams about
Dr. Know is my name, things ain't the same

Now she screams and shouts
Comin' again and again
I am that man that she talks about
When she hangs with her friends
It's not the Benz why she's freakin' out
It's what she thought of my ends
If yuh waan a man a bun alot a trees
Not afraid to mek yuh see it a yuh knees
Yuh waan a man to mek yuh hung like a bee

Leave a message please
I am that man that she dreams about
Dr. Know is my name, things ain't the same
Now she screams and shouts
Comin' again and again

I am that man that she talks about
When she hangs with her friends
It's not the Benz why she's freakin' out
It's what she thought of my ends
Dr. Know is in da house, capeash
