

# Sick of Talk

## Hatebreed

Don't ask me stupid questions  
I don't have the answers to  
Don't tell me about your problems  
Cause I'll just ignore you I'm sick of talk  
I'm sick of talk  
Don't talk to me at all  
Sick of talk  
I'm sick of talk  
Don't talk to me at all You bore the shit right out of me  
All the things you say you do  
Not the least bit interested  
Don't wanna have to listen to you  
I'm sick of talk  
I'm sick of talk  
Don't talk to me at all  
Sick of talk  
Sick of talk  
Don't talk to me at all
