

# P.U.N.K. Girl

## Heavenly

People say she's bad  
But they Don't see  
The way she is with me  
P is for the painful way she makes me feel some day  
U is for Utopia, the other times with her  
N is for the new wave dreams she had back in her teens  
K is for the kid in her, my PUNK girl  
She is honest and kind but in a way that people see  
As telling lies and being mean  
She has thousands of dreams but what they are I'll never know  
I hope I figure in them though  
I don't care if they can't see  
Just how great that girl can be  
But I wish, she'd find a way  
To act well, for just one day  
I don't mind if they can't see  
Just how much she means to me  
I still know what I will say  
If that girl comes my way  
She is hardened to hurt her softness hidden from the world  
But almost ready to unfurl  
She tries so hard to change but something always happens to  
Persuade her its to hard to do
