

I'm Gonna Tear Your Playhouse Down

Ben Poole

You think you've got it all set up
You think you've got the perfect plan
To charm everyone you see
And playing any game you canBut I've got news for you
I hope it don't hit you too hard
One of these days while you're at play
I'm gonna catch you off guardI'm gonna tear your playhouse down pretty soon
I'm gonna tear your playhouse down room by roomYou make our lives a stress and strain
Using the power ploy
All you do is pass around
Hearts you use as play toysYou've been playing madly
With every mind in town
So what you gonna do when you look up one day
And see your playhouse tumbling downI'm gonna tear your playhouse down pretty soon
I'm gonna tear your playhouse down room by roomYou think you've got it all set up
You think you've got the perfect plan
To charm everyone you see
And playing any game you canAnd you've been playing madly
With every mind in town
Oh, what you gonna do when you look up one day
And see your playhouse tumbling downI'm gonna tear your playhouse down pretty soon
I'm gonna tear your playhouse down room by roomI'm gonna tear your playhouse down pretty soon
I'm gonna tear your playhouse down room by room[Incomprehensible]
