

# Wouldn't You Agree

Kelis

When I first met you  
You stood by my side  
And when you asked me to be yours  
You made me cry  
And so I was prepared  
To take all the blows at the chin  
But you never mentioned cheating  
Please tell me what happened  
What makes you think?  
You get away with that  
Talking to my best friend  
Behind my back  
Look what you did to us  
Look what you did to me  
What a wonderful loss  
Wouldn't you agree?  
She introduced me to you  
Said you were just friends  
She assured me you were the one  
For me until the end  
Now I should have known  
By the magic between you two  
That angel faces like yours  
Can lie too, can lie too  
Look what you did to us  
Look what you did to me  
What a wonderful loss  
Wouldn't you agree?  
Wouldn't you agree?  
(Na, na, na, na, na)  
Wouldn't you agree?  
  
(Na, na, na, na, na)  
Wouldn't you agree?  
(Na, na, na, na, na)  
Wouldn't you agree?  
(Na, na, na, na, na)  
Wouldn't you agree?  
(Na, na, na, na, na)

When I see my friends  
They've got to know  
I not only lost a friend  
But now my heart's about to explode  
Now there's something I'd like  
To say before I make my outro  
(Oh God) Oh God  
(Do you see that?)  
Did you see that?  
(There they go)  
There they go  
Why would you do this to me? (Yeah)  
You can't lie in my face  
(I thought you were my best friend, yeah)  
Behind my back  
Look at what you've done to me  
(How could you do this to me?)  
Can't believe what you've done to me  
(How could you do this to me?)  
Wouldn't you agree, yeah  
(This can not be, he was my friend)  
Love loss  
Wouldn't you agree  
(Wouldn't you agree)
