No End In Sight

Mudhoney

The way I see it you must be blind
But can you spare a dime?
Can't you see your son is in too deep
Burning in the final sleepWide awake for ninety nine hours
No sleep tonight, he'll be pushin' up flowers
Second chance he'll never get
A special high for blazes and burnLeft behind
Left and right
No end in sight
No end in sight
Let behind
Left and right
No end in sight
No end in sightRunnin' frantic without a clue
In the sand lookin' straight at you
Nothin' straight, the world goes around
No one's safe till they're deep in the groundShot in the back, stopped in your tracks
The shiftin' sands come around one of us
A second chance he hasn't got
It all boils down and turned aroundLeft behind
Left and right
No end in sight
No end in sight
Left behind
Left and right
No end in sight
No end in sightSo many times I couldn't bear to watch
Witness the boredom of you thinkin' all soft
He left his mark, he left you blind
Chasin' the dream, left sleep behindLeft behind
Left and right
No end in sight
No end in sight
Left behind
Left and right
No end in sight
No end in sightNo end in sight
No end in sight
No end in sight
