

# The Right Thing to Do

Carly Simon & Megan Mullally

There's nothin' you can do  
To turn me away  
Nothin' anyone can say  
You're with me now  
And as long as you stay  
Lovin' you's the right thing to do  
Lovin' you's the right thingI know you've had some bad luck  
With ladies before  
They drove you or you drove them crazy  
But more important is I know  
You're the one and I'm sure  
Lovin' you's the right thing to do  
Lovin' you's the right thingAnd it used to be for a while  
That the river flowed right to my door  
Making me just a little too free  
But now the river doesn't seem to stop here anymoreHold me in your hands like a bunch of flowers  
Set me movin' to your sweetest song  
And I know what I think I've known all along  
Lovin' you's the right thing to do  
Lovin' you's the right thing  
Lovin' you's the right thing to do  
Is the right thing to doNothing you could ever do  
Would turn me away from you  
I love you now and I love you now  
Even though you're ten thousand miles away  
I'll love you tomorrow as I love you today  
I'm in love babe  
I'm in love with you babe  
Let's close now
