

Sexy Gurl

Trina

Ain't nuttin' to it but to do it
Let me holla at you, baby
I know a lot of NFL players and a lot of NBA players, sexy gurl
Like to holla at you, you know but it's different hollering at me You know what I'm saying? Sexy gurl
Whatever they can give you, I can give it to you times two
(Sexy gurl but I really need you gurl)
But in a gangsta way, can you dig it? I woke up around ten o'clock this morning
I gave myself a stretch up, a morning yawning
Went to the bathroom to wash up
Put on my French lace panties and my Enyce warm up I said, "Mirror, mirror on the wall
Who is the baddest bitch of them all?"
There was a quick pause
Then the mirror responded
"You know you got it locked, stop actin' retarded" Fa sho that's why these bitches don't want beef
'Cause I flash the Roley with the all yellow deese
Got the sunflower yellow on the fingernails
And the yellow Louie bag with the pastels Yo, I'm livin' like a model while my rap sales, why?
'Cause niggaz love the way my back swells
Plus I show my ladies how to mack males
Fuck posin' for BlackTail, I'm 'bout to sign a PlayBoy deal, unh Sexy gurl
You're my little sexy gurl
And I really love you gurl
Said, I really need you gurl Put no one above you gurl
Wanna kiss and hug you gurl
You're a little sexy gurl
And I really love you gurl
Come a little Close to the P I mpin'
Hop in the Coupe with Snoop go on a mission
Nonstop no intermission, breakfast in bed
We do head in the kitchen It's a lovely day
You can hang out in the pool, act a fool or just bubble and bathe
And when you get it, I love how you don't talk about it
But you lovin' the Dogg, that's what I like about it M I A, don't get in my way
The baddest bitch with the play yi yay
And everyday I try to get my play on
This California lifestyle help you stay on I'm choppin' it up, I got the key so I'm lockin' it up
Flashin' 'em, blastin' 'em
I'm rollin' with a boss, bitch passin' 'em
Come here, cutie Sexy gurl

You're my little sexy gurl
And I really love you gurl
Said, I really need you gurlPut no one above you gurl
Wanna kiss and hug you gurl
You're a little sexy gurl

How 'bout a house down out on San Succi?
Sittin' on an acre so we could move looselyThat's just how it goes

And when I'm ready to leave, I pull a Porsche
Don't want no sticks or no seeds, I go to Snoop's houseFuck a professor, I need an investor
To eat me like Hannibal Lector
And keep me in a pink Kompressor, cups processor
And I don't want nuttin' lesserLet me holla at you baby

Like to holla at you, you know but it's different hollering at me
You know what I'm saying? Sexy gurlWhatever they can give you, I can give it to you times two
