I Need You

Paris Hilton

I wanna put the happy
In your birthday
And I wanna be
The merry in your Christmas
I'm always giving thanks for you
On every Thanksgiving
Sure as the sun will rise
I need you
I wanna be the bunny
In your Easter
And I wanna kiss you
Every New Year's Eve
You'll bring my heart to life
Make everything all right
I thank God you came to me
Every hour of the day
Every day of the week
I need you
Every week of the year
Every year of my life
To kiss you, to love you
To hold you, to hug you
I need you, I need you
Oh please
I never lose sight
Ff the reasons that I love you

I wanna be your forever Valentine
You make me the woman that I always wanted to be
You make my life feel like a dream
Every hour of the day
Every day of the week
I need you
Every week of the year
Every year of my life
To kiss you, to love you
To hold you, to hug you
I need you, I need you
Oh please

You are the light in my [?] of darkness
You are not right
[...]You are the light in my [?}
You are the baby in the [?]
I won't forget you rescued me
Every hour of the day
Every day of the year
I need you
Every week of the year
Every year of my life
TO kiss you, to love you
To hold you, to hug you
I need you, I need you
Oh please
