Shed Some Blood

Rhye

Sitting in your space
Asking myself why
Sitting in your space
Asking myself why
You can't stay, loveI'm walking through that door
I wanna be
Uh, I'm shattered to the core(Chorus)
We shed some tears baby
We shed some tears baby
Let's shed some bloodWe'll find a way
Move my place
Move my placeSpinning my way home
Home is road to oblivion
Don't wanna hear your voice on the phone
I wanna be your choice, not just a moan
Oh, wohDon't call me love unless you mean it
Don't call me love unless you mean it
Don't call me love unless you mean it
Don't call me love unless you mean itLeast not to my face(Chorus)
We shed some tears baby
We shed some tears baby
Let's shed some bloodWe'll find a way
Move my place
Move my placeSo love
