When It's All Over

RAIGN

Deep into the darkness
We all got lost
Caught out in the rainstorm
Bullets falling fastCalling to the afterlife
Can you hear us when we cry
Call out to the afterlife
Can you show us how to flyIt's all gone wrong
Heaven hold us
We've lost the sun
Heaven told us
The world was strong
Heaven hold us
Where do we go when it's all overCome back from the future
For we didn't fall
Can the broken sky unleash
One more sunrise for the dawnCall out to the afterlife ohohoh
Can you hear us when we cry
It's all gone wrong
Heaven hold us
We've lost the sun
Heaven told us (yeah)
The world was strong
Heaven hold us
Where do we go(go) when it's all over
Where do we go(go) when it's all over
Where do we go(go) when it's all over
Where do we go(go) when it's all over
Where do we go(go) when it's all overIt's all gone wrong
Heaven hold us
We've lost the sun
Heaven told us
The world was strong
Heaven hold us(heaven hold us)
Where do we go oh oh
Where do we go when it's all over
