## **Borrowed Time**

## Jon Pardi

Waitinâ€<sup>™</sup> at a stop sign, a school bus passes by Yeah that wasnâ€<sup>™</sup>t long ago, that was me hitchinâ€<sup>™</sup> a ride And I lost track of many yesterdays, the way it felt to be that age The people, the faces, they all change Ainâ€<sup>™</sup>t it funny how it slips away

Yeah weâ€<sup>TM</sup>re all down here just a livinâ€<sup>TM</sup> on borrowed time Canâ€<sup>TM</sup>t push a button and just hit rewind From the day weâ€<sup>TM</sup>re born â€<sup>~</sup>til the day that sun donâ€<sup>TM</sup>t shine Yeah weâ€<sup>TM</sup>re all down here just livinâ€<sup>TM</sup> on borrowed time

I donâ€<sup>TM</sup>t wanna live life with regrets Yeah thereâ€<sup>TM</sup>ll be mistakes I havenâ€<sup>TM</sup>t made yet And if you donâ€<sup>TM</sup>t climb then you canâ€<sup>TM</sup>t fall And money sure donâ€<sup>TM</sup>t buy it all And the only thing I know Is you canâ€<sup>TM</sup>t take it with you when you go

Yeah weâ€<sup>TM</sup>re all down here just a livinâ€<sup>TM</sup> on borrowed time Canâ€<sup>TM</sup>t push a button and just hit rewind From the day weâ€<sup>TM</sup>re born â€<sup>~</sup>til the day that sun donâ€<sup>TM</sup>t shine Yeah weâ€<sup>TM</sup>re all down here just livinâ€<sup>TM</sup> on borrowed time

> So just keep livinâ€<sup>TM</sup> it up Cause thereâ€<sup>TM</sup>s never enough Of livinâ€<sup>TM</sup> and learninâ€<sup>TM</sup> and lovinâ€<sup>TM</sup>

Yeah weâ€<sup>TM</sup>re all down here just a livinâ€<sup>TM</sup> on borrowed time Canâ€<sup>TM</sup>t push a button and just hit rewind From the day weâ€<sup>TM</sup>re born â€<sup>~</sup>til weâ€<sup>TM</sup>re standinâ€<sup>TM</sup> in the judgment line Yeah weâ€<sup>TM</sup>re all down here just livinâ€<sup>TM</sup> on borrowed time Yeah weâ€<sup>TM</sup>re all down here just livinâ€<sup>TM</sup> on borrowed time
