

Rage of the King

Labyrinth

So, is this the end?
Well, I won't forget
Time will give me a chance
To get my revenge Oh, no, in the heart of kings
There's no place for love
Oh, Kathryn, won't you take my heart?
Then I'll love no one Wherever you may go
You'll never be alone
Even beyond the seas
You'll taste the rage of the king No, there is no escape
From the hate I feel
Blood, that's what I need
Blood, so sweet to me Oh no, in the heart of kings
There's no place for love
Kathryn, won't you come to me?
Why you left me alone? Wherever you may go
You'll never be alone
Even beyond the seas
You'll taste the rage of the king Wherever you may go
You'll never be alone
Even beyond the seas
You'll taste the rage
