Eon

Celldweller

I'm pushing, I'm pushing
I'm pushing through
I'm pushing through face
I'm pushing through facedown
I'm pushing through facedown
I'm pacing inside this empty room
Told to wait till my life's withdrawn
Uneasy, I'm waiting here anxiously
It's a waste and I won't wait another Eon
Endless night
Long for light
My head against this tomb
And pushing through
I'm pushing through
Facedown and pushing through
Trapped and isolated
Time is dislocated
Eternity is what a moment seems
When I can't feel anything
Erasing my final memories
They won't stop till my whole life's gone
Uneasy, I wait for normality
It's a waste and I won't wait another Eon
Endless night
Long for light
My head against this tomb
And pushing through
I'm pushing through
Facedown and pushing through

Trapped and isolated
Time is dislocated
Eternity is what a moment seems
When I can't feel anything
When life is gone without a trace
And hope is lost in time's embrace
I won't wait or hesitate; 'cause I'm pushing through facedown
I won't wait or hesitate; 'cause I'm pushing through
If time's a song, I won't wait for its reprise

I am done wishing farewells and goodbyes
I won't let this place overshadow my birthright
I won't wait another Eon
Impatiently
Impatiently
I'm cutting through the earth in front of me
Bone on stone, blood and sweat married
Can't hear the voice that whispers fears when my heart is pounding in my ears
All I see in my mind is not what I've left behind
But all the things I've been missing in that lost Eon
Endless night
Long for light
My head against this tomb
And pushing through
Trapped and isolated
Time is dislocated
Eternity is what a moment seems
When I am lost inside this dream
When I can't speak and I can't scream
And I can't feel anything
