## Erick Sermon

Yeah, peace to MC Breed  
Def Squad, 2002, uhAiyyo this sound hard, somethin funky people gon' dance to  
Give the record a second, and a chance to  
Hittin people like a scene of amazement  
Floored by Erick Sermon arrangement  
Frontin I can never do (uh-huh)  
So now I'm lookin dead at you, so what you gonna do?  
You checkin out the sounds of a scholar  
You say, "Hi E - tell 'em HOLLA, HOLLA!"  
I'm the E Double, and I proclaim my name  
Straight up big game, peep all gangs  
I'm like a rhino, stomp through the roughest pack  
They figure I'm a trigga happy nigga so they step back  
E, the microphonest  
Who last the longest and who the strongest?  
It's not a game, it's plain to see (ha)  
Check out the sounds of E, and the Squad of D "To the beat y'all" "To the beat y'all" "To the beat y'all" "To the  
beat y'all" "To the beat y'all"  
Y'knahmsayin? Ain't no future in yo' frontinI never got caught with a kilo  
If you ever do, it would never be with me yo  
I ain't the one to be servin up a ki' yo  
I sell work, but it's more like sellin beats yo  
Yo - I never have to worry about me gettin jumped  
If I ever do, R-E-D, pop the trunk  
Me and my crew, got somethin for all y'all (uhh)  
When I'm on the mic, don't play at all  
I clock mad G's a week, boomin at my peak  
Everytime the E's asked to program a beat  
I put it down like this for everybody  
Then throw a Def Squad cool out party  
Takin over, barkin like a doggie named Rover  
(Woof!) I'm pickin suckers like a four-leaf clover  
They bitin lyrics on the mic cause they cobras  
Are they sayin E.D.'s? Cause ain't no future in yo' frontin "To the beat y'all" "To the beat y'all" "To the beat  
y'all" "To the beat y'all" "To the beat y'all"  
Y'knahmsayin? Ain't no future in yo' frontinYo, I'm the E, D-O-U-B-L-to the E and  
Down with my homey Keith, and the R-E-D and  
Niggaz talk shit cause we still be disagreein  
I don't give a FUCK cause I'm from N.Y.C

In the city, where pretty ones low  
 If you ever shoot through my city NOW YOU KNOW  
 We get biz, and we got pride  
 If you don't feel this, then nigga break wide  
 Cats be lookin, for the M-O-N-E-Y  
 Livin illegal, is the way, so they die  
 Cause I ain't got time, to see if things work out  
 Things get hard I'm robbin no doubt  
 That be the way, E.D. can not be different  
 Never change the ways of the world of the government  
 If I was the President, I'd stay fat  
 Leave it up to me, I'd paint the White House black  
 Ain't no future in yo' frontin "To the beat y'all" "To the beat y'all" "To the beat y'all" "To the beat y'all" "To  
 the beat y'all"  
 Y'knahmsayin? Ain't no future in yo' frontin Yo, I got dough in my pocket, not from rollin  
 If I was a fiend then my gold would be stolen  
 Put my name E, on everything I own  
 My Excursion truck, outlined in chrome  
 Shined up good, ride through your neighborhood  
 StarTec phone, fat rims, and the Kenwood  
 Music kicked around and, can I have a drop?  
 Just because I'm ridin people think I'm sellin rocks  
 Ain't no future in yo' frontin "To the beat y'all" "To the beat y'all" "To the beat y'all" "To the beat y'all" "To  
 the beat y'all"  
 Y'knahmsayin? Ain't no future in yo' frontin Yo, I'm cool to the rules of the world  
 Livin life raw, cause I never liked the law  
 Wear top ten on my ass my own jeans  
 Sell the game, tit for tat to the fiends  
 Make much dough but never break a sweat  
 Time to move out? My niggaz sayin BET  
 You got my back and I got yours  
 What time is it? Tear down the doors "To the beat y'all" "To the beat y'all" "To the beat y'all"  
 Ain't no future in yo' frontin  
 "To the beat y'all" "To the beat y'all"  
 Ain't no future in yo' frontin  
 "To the beat y'all" "To the beat y'all"  
 Ain't no future in yo' frontin  
 "To the beat y'all" "To the beat y'all" Uhh, yo, combustible, uhh
