Dream Of Life

Carmen McRae

Na, na, na, na, na
Na, na, na, na, naI'm with you always, you're ever on my mind
In a light to last, a whole life through
Each way I turn, the sense of you
Surrounds in every step I take in all I doYour thoughts your schemes
Captivate my dreams
Everlasting, ever newSea returns to sea
And sky to sky
In a life of dream am I
When I'm with youDeep in my heart, how the presence of you shines
In a light to last a whole life through
I recall the wonder of it all
Each dream of life, I'll share with youSea returns to sea
And sky to sky
In a life of dream am I
When I'm with youI'm with you always, you're ever on my mind
In a light to last a whole life through
The hand above turns those leaves of love
All and all a timeless viewEach dream of life
Flung from paradise
Everlasting, ever newDream of life
Dream of lifeNa, na, na, na, na
