

# Dream Of Life

## Carmen McRae

Na, na, na, na, na  
Na, na, na, na, naI'm with you always, you're ever on my mind  
In a light to last, a whole life through  
Each way I turn, the sense of you  
Surrounds in every step I take in all I doYour thoughts your schemes  
Captivate my dreams  
Everlasting, ever newSea returns to sea  
And sky to sky  
In a life of dream am I  
When I'm with youDeep in my heart, how the presence of you shines  
In a light to last a whole life through  
I recall the wonder of it all  
Each dream of life, I'll share with youSea returns to sea  
And sky to sky  
In a life of dream am I  
When I'm with youI'm with you always, you're ever on my mind  
In a light to last a whole life through  
The hand above turns those leaves of love  
All and all a timeless viewEach dream of life  
Flung from paradise  
Everlasting, ever newDream of life  
Dream of lifeNa, na, na, na, na
