

# I Will

## The Kinleys

I will crawl through your grief  
I will cry 'til I drown  
Cut a path through your dark  
'Til Im lost and youre found Turn your black into gray  
I wont hurt when I bleed  
Ill give up my desire  
'Til you get what you need Ask me Ill be there whenever you fall  
To do anything, everything, nothing at all  
Ill move any mountain that keeps you from me  
Ill change, rearrange, disappear in your dreams Please dont ask me to let go  
Or make me give up  
'Cause I love you that much and I will  
Itll kill me but I will Ill never say that I know how you feel  
But I know in your heart that those demons are real  
So dont push me out and I wont pull you in  
But I wont let you loose, youll let love win Ask me Ill be there whenever you fall  
To do anything, everything, nothing at all  
Ill move any mountain that keeps you from me  
Ill change, rearrange, disappear in your dreams Please dont ask me to let go  
Or make me give up  
'Cause I love you that much and I will  
Itll kill me but I will Baby, I will If you can just look past your fear  
Youll see me standing right here Ask me Ill be there whenever you fall  
To do anything, everything, nothing at all  
Ill move any mountain that keeps you from me  
Ill change, rearrange, disappear in your dreams Please dont ask me to let go  
Or make me give up  
'Cause I love you that much and I will  
Itll kill me but I will Baby, I will  
Baby, I will  
Baby, I will
