Stonethrowers (Live at Sound & Fury Fest 2007)

Pulling Teeth

What are you so afraid of?
I can't see your point of view
Tired of your lies, sick of your hate
Why can't I get through to you?
Can't you understand
We all want the same things
A chance to live our lives
Free to be who we are?
Can't you understand?
What are you so afraid of?
This makes no sense to me
Why you'd choose to be this way
We all wanna live in peace
So why are you so full of hate?
