Romeo

Lindsay Pagano

Lost in emotion
Deep in your ocean of lies
Foolish me, almost didn't see
Your honesty disguise
'Cuz your words sputter out in a ball of confusion
That gives the illusion that you might be sincere
But you're not really here
'Cuz your mind's in the gutter and I'm not that stupid
Romeo, lay down your ego
'Cuz deep inside is a color you can't hide
"Who you are?" is the way you speak of others
No, I'm not your lover
Just a girl you lied to for the last time
Mercy me, I'm hearing the stories
About a place I've never been
What were you thinking? Is your life sinking?
Is this the way you treat your friends?
'Cuz it feels like emotional breakdown

From somebody living in a dream world
Fishing on Juliet, hasn't got a dime yet
Fishing for lines, you sound so tired
Romeo, lay down your ego
'Cuz deep inside is a color you can't hide
"Who you are?" is the way you speak of others
No, I'm not your lover
Just a girl you lied to for the last time
And the words that you say
That you say, that you say
They just get in the way, in the way, in the way
Of being for real
Romeo, lay down your ego, baby
'Cuz deep inside is a fool you can't hide
"Who you are?" is the way you speak of others
No, I'm not your lover
Just a girl you lied to for the last time
Just a girl you lied to for the last time, baby
