I Love You

Earl

I love you, I love you, I love you, yes I do
I want to, I want to, I want to, yes it's true
But all the boys who came
Ahead of you were mean
And now it's hard to give myself awayYou must be too good to be true
Or are you, or are you?You kiss me, you kiss me
You say baby it's alright
I see you, I see you so clearly
When I close my eyes
So why am I so scared
To let you comb my hair
All sweet and golden [on] with good intent
You must be too good to be true
You must be too good to be true
Or are you, or are you?
I love you, I love you, I love you, yes I do
I want you, I want you, I want you, yes it's true
Maybe it's not too late
To heal the heart that breaks
To feel only pleasures than pain
