Trunks Vs Silver Rap Battle

The Infinite Source

vegeta I hate to be so cruel we're from the same bloodline I hate to make you a fool but here the simple truth you will never reach my level I've made you out a tombstone bitch so go and grab a shovel and you're so special thats back on our home world that shit got blown to pieces so welcome to earth I'm in another wieght class I'll wrap you like a burrito I am a golden god you're just an angry guido. vegeta: I am a prince of all sayians don't forget it ask chi chi remembers that before I hit and quit it and yes I'm the anti hero and I seek immortality you can keep your peace and love I'll live reality you're a scum , a being less than dirt I'd run the other way with tail between you're skirt and I'm a guido ha want a cookie I'll blast your to jersey I heard you have a thing for snooki
