

The Captain of Her Heart

Double

It was way past midnight
And she still couldn't fall asleep
This night the dream was leaving
She tried so hard to keep And with the new day's dawning
She felt it drift away
Not only for a cruise
Not only for a day Too long ago, too long apart
She couldn't wait another day for
The captain of her heart As the day came up, she made a stop
She stopped waiting another day
For the captain of her heart
