

57 (Live At Wembley)

Biffy Clyro

The sun shone in, the glint in your eye
Your beautiful face, your beautiful face
I held her tight, close to my heart
I didn't know it would break, I didn't know it would break I don't believe there's love anymore, it's all inside
We always said it's forever in this beautiful life
And I'll try not to feel this music's for you and over, and over, and over
And I'll try not to feel this music's for you and over, and over, and over I held her tight, close to my heart
I didn't know it would break, I didn't know it would break
I don't believe there's love anymore, it's all inside
We always said it's forever in this beautiful life
And I'll try not to feel this music's for you and over, and over, and over
And I'll try not to feel this music's for you and over, and over, and over And over, and over, and over, and over,
and over, and over,
and over, and over, and over, and over, and over, and over,
and over, and over, and over...
It's alright, it's alright, it's alright, it's alright!
