

# Gangsta Love

## S Club 7

Stand out  
There's something about the way that you do it  
So bottle it up, that way you won't lose it for loveBig sound  
Dreaming you up, I'm feeling so erratic  
Your holding me down, I'm set to automatic, so loudSaw an apple in every vibe  
Whenever youre rub-a-dubbin'  
Pineapple is playing all night  
He's the one, he's the one, babyDay after day putting the rest to shame  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta love  
Day after day gotta give up the name  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta loveSpaced out  
Ready to take the seat of your intention  
There's more than one thing that I forgot to mention, go downTurn 'round  
Been checkin' you out and watchin' you undo it  
Been pickin' it up and love the way you throw it all downSaw an apple in every vibe  
Whenever youre rub-a-dubbin'  
Pineapple is playing all night  
He's the one, he's the one, babyDay after day putting the rest to shame  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta love  
Day after day gotta give up the name  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta loveFace down, wiped out  
Brother, let me peep this  
I'm a ga-ga-ga-ga-ga-ga-gagaga  
Gotta keep the peaceYou got me spaced out, wiped out  
Brother, let me peep this  
I'm a gangsta, gangsta, gangsta  
Gangsta lovePineapple is playing all night  
He's the one, he's the one, babyDay after day putting the rest to shame  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta love  
Day after day gotta give up the name  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta loveDay after day putting the rest to shame  
(My MC)  
Cos he'll be givin' me gangsta, givin' me gangsta love

Day after day gotta give up the name

(My MC)

Cos he'll be givin' me gangsta, givin' me gangsta love Day after day putting the rest to shame

(My MC)

Cos he'll be givin' me gangsta, givin' me gangsta love

Day after day gotta give up the name

(My MC)

Cos he'll be givin' me gangsta, givin' me gangsta love
