

I Have Dreamed

[Frank Sinatra](#)

I have dreamed that arms are lovely
I have dreamed what a joy, you'll be
I have dreamed every word, you whisper When you're close, close to me
How you look in the glow of evening
I have dreamed and enjoyed the view In these dreams, I've loved you so
That by now I think, I know
What it's like to be loved by you
I will love being loved by you Alone and awake, I've looked at the stars
The same that smile on you
And time and again, I've thought all the things
That you were thinking too I have dreamed that arms are lovely
I have dreamed what a joy, you'll be
I have dreamed every word, you whisper When you're close, close to me
How you look in the glow of evening
I have dreamed and enjoyed the view In these dreams, I've loved you so
That by now I think, I know What it's like to be loved by you
I will love being loved by you
