Peek-A-Boo

The Stylistics

Every single day, as you pass this way, I know just what to Say
But I can't find the words to tell ya
Each and everyday, my love grows and grows, more than before
So maybe I'll just say....

OOh Peek A Boo, guess who's watching You
OOh OOh Peek A Boo.. guess Who's loving You
OOh OOh Peek A Boo, guess Who's watching You...

Can't You realize, as You pass me by... The love that's In my Heart..
So what's keeping Us Apart.. Even Though I know, I won't Win Your Heart...
I'll wait just one more Day... Just to see You..

OOh Peek A Boo, guess who's watching You
OOh OOH Peek A Boo.. guess Who's loving You
OOh OOh Peek A Boo, guess Who's watching You...

I'll wait just one more Day... Just to see You..

OOh Peek A Boo, guess who's watching You
OOh OOH Peek A Boo.. guess Who's loving You
OOh OOh Peek A Boo, guess Who's watching You...
