Testify

Stevie Ray Vaughan & Double Trouble

Friends, inquisitive friends
Are asking what's come over me
A change, there's been a change
It's so plain for everyone to seeLove won't get on me
And it took me by surprise
Happiness is all around me
You can even see it in my eyes, yeah, yeah, yeahI just wanna testify
What your love has done for me
I just wanna testify
What your love has done for me, yeah, yeah, yeahIt might be a mighty long way
A mighty long way, a mighty long way
Once I was a halo man
And with your lonely heart it dwell
The love came sneaking up on me
And brought a light to an empty shellWell, I've heard so many time before
The love can't be so bad
I just got to tell you now
That it's the best love I've ever had, hey, yeah, yeahI just wanna testify
What your love has done for me
I just wanna testify
What your love has done for me, yeah, yeah, yeahPrecious, sure been precious to me
Precious, sure been precious to me, yeah, yeah, yeahI just wanna testify
What your love has done for me
I just wanna testify
What your love has done for me, yeah, yeah, yeah
I just wanna testify
What your love has done for me
I just wanna testify
What your love has done for me, yeah, yeah, yeahTestify, alright
A mighty long time
Testify for me
Alright
