Heaven (Ft. will.i.am)

Cheryl Cole

My heavens wit chu
My heavens wit chu
My heavens with you girl
My heavens wit chu[Chorus]
I gotta die, for me to get to heaven
I get a glimpse of heaven for every time I feel your lovin'
And you know I ain't lying, When I say I love you
I hope you know
I hope you know
I hope you know
My heavens with you
My heavens with you
My heavens with you
My heavens with youLooking at your photograph, thinking how you make me laugh
You put a sparkle in my eyes, and give me crazy butterflies
My body lingers with your smile, thinking that I just might've fell
I miss you baby, can you see me, cause it feels like hell
And when you're not around, I need an, I need an, I need you
And when I'm feeling down, I want you, I want an, I want you[Chorus]I read your texts that made me smile, but I ain't haven't for awhile
I know you're sleeping this time zone, but I'm still staring at my phone
And your always there for me, I even see you in my dreams
My sacrifice, my paradise, my happy ending to the least
Every day and every night, I'm wanting, I'm wanting, I want you
And until the end of time, Ill love you, Ill love you[Chorus]Yeah girl that's true when I'm feeling all blue, I just think about you
Got me feeling yellow, the opposite of mellow, girl when you say hello I feel brand new
Baby don't worry about it girl, here's the keys to my world,
Its all my love; got me so excited, make me hot love
Baby don't divide it, give me alla alla ya,
I want all of your love, here's all of my love,
I want all of your love, here's all my love,
I want all ya love, take all of my love.
