

# Scandalous

## Mis-Teeq

You know you wanna sing with us  
That's why you know you should be scared of us  
You know you wanna sing with us  
That's why you know you should be scared of us  
Last night looks to kill  
Straight talk sex appeal  
One touch gives me chills  
And we ain't even close yet  
Ruffneck all around  
Ain't been all over town  
Show me how you get down  
'Coz we ain't even close yet  
You got me feeling and you got me feeling weak  
Listen as I speak 'coz I'm careful as a freak  
You got me going crazy and you know I can't sleep  
I love watchin' your moves and you hypnotize me  
You got me trembling like a little baby girl  
Your so special, you're like diamonds and pearls  
You got me spinning and you got me in a twirl  
Your my number one, baby and you've come to rock my world  
You're dangerous, just get it off, the way you  
move so scandalous  
It's all about the two of us, a one night stand just ain't enough  
I need some stimulation, baby, a little conversation maybe  
You got me spinnin' round like crazy, there goes my baby  
Scandalous, so scandalous, scandalous  
Hot stuff head to toe  
Where you go no one knows  
You smile, plenty don't  
And we ain't even close yet  
Solid as a rock  
How many way can you hit the spot  
Show me what you got  
'Coz we ain't even close yet  
You got me feeling and you got me feeling weak  
Listen as I speak 'coz I'm careful as a freak  
You got me going crazy and you know I can't sleep  
I love watchin' your moves and you hypnotize me  
You got me trembling like a little baby girl  
Your so special, you're like diamonds and pearls  
You got me spinning and you got me in a twirl  
Your my number one, baby and you've come to rock my world  
You're dangerous, just get it off, the way you  
move so scandalous  
It's all about the two of us, a one night stand just ain't enough  
I need some stimulation, baby, a little conversation maybe  
You got me spinnin' round like crazy, there goes my baby  
Scandalous, so scandalous, scandalous  
A little conversation  
Goes a long way

Show a little patience  
That you are here to stay  
'Coz show me that your game, oh You're dangerous, just get it off, the way you move so scandalous  
It's all about the two of us, a one night stand just ain't enough  
I need some stimulation, baby, a little conversation maybe  
You got me spinnin' round like crazy, there goes my baby You're dangerous, just get it off, the way you move  
so scandalous  
It's all about the two of us, a one night stand just ain't enough  
I need some stimulation, baby, a little conversation maybe  
You got me spinnin' round like crazy, there goes my baby You know you wanna sing with us  
That's why you know you should be scared of us  
You know you wanna sing with us  
That's why you know you should be scared of us
