

It's Whatever

Aaliyah

[Chorus]
It's whatever
Whatever
Oh, whatever Just like a bird
That whistles in the trees
At peace
So happily
Well you're my tree
And through the storms you stood strong for me
Kept me warm as can be
Like a candy to an apple
Oh we go together
You're so sweet on me (oh so sweet)
I can say that I do believe
This is destiny
It keeps calling me [Chorus] Now it's me and you
It's you and me
And it's whatever
Whatever you want it to be
I'm telling you
If it's up to me
Whatever is whatever
It's whatever with you and me (Whatever's whatever) Just like a breeze
In the middle of a Summer's Eve
When You Come Through
You Come For Me
If I'm a drink
You're my lemon squeeze (oh)
Oh you got that flavor boy
You go good with me
So boy don't play or tease me
Oh keep me together
You've got what I need
Now it's getting late
It's after three
So quit your stallin'
My body's callin' [Chorus] Now it's me and you
It's you and me
And it's whatever

Whatever you want it to be
I'm telling you
If it's up to me
Whatever is whatever
It's whatever with you and me Whatever's whatever
It's whatever
It's your world
I put that on everything
It's your world (your world)
Your world
Yeah [Chorus] Oh now it's me and you (me and you)
And you and me (you and me)
And it's whatever you want it to be (you want it to be)
I'm telling you (I'm telling you)
If it's up to me (up to me)
Whatever is whatever
Whatever's whatever
Baby (baby) Whatever's whatever
