

# I Love You 5

## Never Shout Never

I love you one, a two, a three shoobee-doo  
I love you four, that's more than I can afford  
And I can tell some day that I'm gonna' say the truth  
I love you five I've been walking around  
Trying to figure out  
Why I am feeling all the feelings that I'm feeling now  
And I got more on my mind  
Then I've got on my plate I love you one, a two, a three shoobee-doo  
I love you four, that's more than I can afford  
And I can tell, some day that I'm gonna' say the truth I love you five times more than any boy from before  
Cause all they really cared about was whether you put out  
And I truly believe (I truly believe)  
That this love could be And I could count five times off the top of my head  
Where I sucked it in  
Cause you were hanging with him  
And I got something to say  
I love you all the same I love you one, a two, a three shoobee-doo  
I love you four, that's more than I can afford  
And I can tell some day that I'm gonna' say the truth, yeah I love you one, a two, a three shoobee-doo  
I love you four, that's more than I can afford  
And I can tell some day that I'm gonna' say the truth I love you, five  
I love you, five  
I love you, five
