

# Like a Jungle

## E-40

Hand me one of them thangs killed John Wayne  
D.E.A. back in this bitch  
Fuck around with this nigga Bosko, he stay mobbin'  
Shall we spit some saliva? Spit some saliva In and out of the traffic  
Sparkin' up a bunch of commotion and static it's a habit  
Bloated, wasted, loaded, tilted when I roll it  
Like the steering wheel on my Deville when I first drove it Who the caviest and the savviest [Incomprehensible]  
Strikin' like a pack of matches  
Blood alcohol, lookin' like above average  
Money tall player, papered up, ghetto fabulous  
You can ball too pimpin' just be about your cabbage I don't need no iron, I'm already creased  
Pistol-whip a bitch with my mouthpiece, paid for hoe  
On my car, fuckin' lease  
Strikin' through your neighborhood, disturbin' peace Boogie green Cutlass with the gold feets  
Same colored tint with the bucket seats, bitch  
All my wife I was raised around killers  
Boy I tell ya these monkeys don't wanna see no gorillas (It's like a jungle)  
It's like a jungle sometimes  
(It's like a jungle)  
It's like a jungle sometimes  
(It's like a jungle)  
You know a sea serpent  
Snake in the grass can post up lies (It's like a jungle)  
It's like a jungle sometimes  
(It's like a jungle)  
It's like a jungle sometimes  
(It's like a jungle)  
We play for keeps, so nigga  
If you feel froggish leap, leap nigga, bitch Chest splitter, game spitter, go getter  
I stay busy like Mighty Joe, the go-rilla  
One hitter quitters if you're it, bump my feet nigga  
I hit the turf, knockin' off wall pictures Nowadays niggaz can get arrested  
For reckless dressin', attempt to pimp  
But they don't know a broke horse  
And don't know how money makes a pimp, pimp  
See I'm like a pimp, I got to be about means  
Twinkied out with a car full of TV screens I mean I'm mean, I boss up for the green  
Hit the scene and check my runners 'bout my cream  
One-eighteen, haters wanna cross my dream

Handicap me, shoot me in the spleen(It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
 If you see me in a fight in the forest with a bear  
 Don't help me nigga help the bear(It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
 Boy, I tell ya, these monkeys  
 Don't wanna see no gorillas, see no gorillasMan potnah you ain't from 'round here, you ain't got no pass  
 Oh you with 40-water, we can go 'head and let you go  
     But next time, it's yo' ass  
 Lick you for yo' cash, get you for what you got'Cause triflin' on this side of the soil that's all we do is plot  
     Seen it, lived it, did it, been in it, done it  
     Cooked it, shucked it, sold it, couple hundred  
 Units a month, dirty white girlBaby powder, China white, step-mother pearl  
     I'm out of weed, I'm losin' my focus  
     Ash tray full of doobies and roaches  
 In the parking lot rollin' a blunt, in the middle of some funkDudes got to dumpin' bitches, haulin' ass  
     Takin' off they pumps, fallin' in the grass  
 Cowards flyin' everywhere, fools gettin' glassed  
 While I'm sittin' in my cut thang, tryin' to play  
     They fuckin' up my shit(It's like a jungle)  
         It's like a jungle sometimes  
             (It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
     You know a sea serpent  
 Snake in the grass can post up lies(It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
     It's like a jungle sometimes  
         (It's like a jungle)  
     We play for keeps, so nigga  
 If you feel froggish leap, leap nigga, bitchBe about your paper bro, don't hate on mine  
     It's like a jungle sometimes  
 Gorilla pimpin' ain't easy but I'm steady on the grindIt's like a jungle sometimes, yeah, yeah, yeah, yeah  
     Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah  
     It's like a jungle sometimes, yeah yeah yeah yeah  
 Yeah yeah yeah, yeah yeah yeah, yeah yeah yeahIt's like a jungle sometimes, yeah yeah yeah yeah  
     Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah  
     It's like a jungle sometimes, yeah yeah yeah yeah

Yeah yeah yeah, yeah yeah yeah, yeah yeah yeahIt's like a jungle sometimes
