

First

Coal Chamber

If someone should ask you then say
That he fell away
From what he wanted at first
From what he wanted at first
From what he wanted If someone should ask you then say
That they fell away
From what they wanted at first
From what they wanted at first
From what they wanted As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
He won't come out and play music anymore If someone should ask you then say
That she fell away
From what she wanted at first
From what she wanted at first
From what she wanted If someone should ask you then say
That they fell away
From what they wanted at first
From what they wanted at first
From what they wanted As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, I tried I couldn't kick it If someone should ask you then say
He sleeps all day
That he feels he's gone, son
And always will be betrayed Betrayed
Betrayed
Betrayed
Betrayed As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, noTry, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kickAs she
As she
As she
